

Message from the Chair

Happy New Year to all our members. I want to thank Peir Pufahl for taking over as chair this past year while I was on maternity leave. I look forward to another year working with the CSRG to promote and encourage the study of all things sedimentary!

It is time again to think about the upcoming annual meeting-GeoCanada 2010 to be held in Calgary this coming May. Abstracts can now be submitted online and the deadline for final submission is January 15, 2010.

Be sure to check out the CSRG website (<http://gac.esd.mun.ca/csrg/index.htm>) for the latest CSRG news.
